2. **Notes of the Meeting of the Parish Council on 2nd March 2020** were agreed and signed into minutes.
3. **Councillors' Declarations of Interest:** None.
4. **Matters arising from the minutes:**
 - 4.1 18.11/9.6 Blocked drains: Cllr. Millington proposed we write to Douglas Williams (Buckminster) to thank him for his excellent work and report. It is acknowledged that the next problem is the drainage in front of the houses on the North side of Sproxton Road. This is the responsibility of the house owners. However, given the concrete sections connecting driveways to the road, considerable work would be needed to reinstate pipework. The Chair had made enquiries with SKDC regarding a map which included the relevant drains and culverts; none exists.
 - 4.2 On the south side of the road, we continue to pursue Western Power for proper reinstatement of the ditch.
 - 4.3 At the end of the ditch before the field entrance, some digging has been done.
 - 4.4 A further point of drainage information: the drain on the west side of Back Lane, which feeds into the main drain at the top of Fish Well Close, and which had previously been almost blocked, has been dug out, to reveal two pipes feeding it.
5. **Planning applications:**
 - 5.1 S19/1346 Western Power Distribution (East Midlands) PLC, Land south of Skillington: *Installation of new 33KV overhead lines consisting of 3 conductors on wooden poles.* Pending decision by SKDC.
 - 5.2 S20/0132 Mineral Site: Revisions to S19/2237 - Proposed Skillington Quarry. Mr J Spencer: land to the east and west of Skillington Road, Colsterworth. *Pending consideration.* The report submitted by Colsterworth Parish Council on the revised application is attached. Note that S18/2237 was approved.
